Big Joke

Dave walks into a pub/bar and see's his friend Paul slumped over the bar. He walk's on over and asks him why he is so down.

"Well", replies Paul, "you know that beautiful girl at work that I wanted to ask her out, but I got an erection every time I saw her?"

"Yes", replied Dave with a laugh.

"Well", says Paul, straightening up, "I finally plucked up the courage to ask her out, and she only went and said yes"

"That's Great!", says Dave "When are you going out?"

"Well I went to meet her this evening," continues Paul, "but I was worried that I would get an erection again. So I got some duct tape and strapped my cock to my leg, so that if I got a stiffy, she wouldn't see it"

"Sensible", says Dave

"So I get to her door" says Paul, "and I rang her doorbell. She answered it in the sheerest, tiniest, sexiest dress you ever saw."

"And What Happened?"

Paul slumps back over the bar again. "I kicked her in the face."

Small Joke

A man was walking down the street when he noticed his grandpa sitting on the porch, in the rocking chair, with nothing on from the waist down.

"Grandpa, what are you doing?" he exclaimed.

The old man looked off in the distance and did not answer him.

"Grandpa, what are you doing sitting out here with nothing on below the waist?" he asked again.

The old man slowly looked at him and said, "Well, last week I sat out here with no shirt on, and I got a stiff neck ...This was your Grandpa's idea."

True Story

Couple Had Sex on Police Car

Dutch police have arrested a couple for having sex on the bonnet of their patrol car.

The couple, from Groningen, said they hadn't noticed the two policemen sitting in the car.

One of the officers got out of the car and told the couple to stop what they were doing and leave.

The 25-year-old man was arrested after he refused and insulted the policeman, reports Het Laatste Nieuws.

His 33-year-old lover was also arrested after she tried to stop the car from taking her boyfriend away.

A police spokesman said: "The law doesn't say you can't make love on the bonnet of a police car.

"But the policemen have to be available for duty. If the two lovers had left when they were told, nothing would have happened."

The old man just stares at the boys hair, finally the boy says "what crazy't you ever done anything wild or crazy"? The old man replied "yes" in a jittery croaky voice, "years ago i fucked a peacock... I was just wondering if your my son"?

Sex Trick

This one isn't in the Karma Sutra but just out of a sign of respect I'm naming this one

Indian Robe Trick

Equipment: 1 Robe Cord or soft towel like belt

Coil the cord like a cobra would be coiled... holding one end ask the girl to lie on top of it so that it is directly under her punani (pussy)... slowly pull the end of the cord up through her pussy lips and arse cheeks... really slowly, the slower the better, makes it last longer

You dont want to give her rope burn so dont be an idiot and try and yank the thing out... thats just not pornstar like ;0)

If the cord doesn't come easily ask her to lift slightly... she'll be coming easily herself if you pull this off right

Have fun
